County, NC

Dear Sirs:

On August 17, 1993, this office determined that an underground storage tank system (UST) at the subject location is not in compliance with North Carolina Administrative Code (NCAC Title 15A Subchapter 2N "Criteria and Standards Applicable to Underground Storage Tanks"). It is our understanding that you and/or your firm are the owner/operator of the UST System. If you feel that you are not responsible for the following violations, please notify this office within seven (7) working days.

The violation(s) is(are) as follows:

Failure to give proper initial response to a confirmed release from the UST System as outlined in 15A NCAC 2N .0702. Within 24 hours of receipt of this notice you must do the following: a) report your actions to this office, b) take immediate action to prevent any further release of the regulated substance into the environment and, c) identify and mitigate fire, explosion, and vapor hazards.
